

IMPEACHMENT

- Q. Prior to this accident did you ever have problems with your lower? 01/04/99 Sciatica
- A. No, not really, no...I did have Sciatica on the left side...which was just kind of a pain on my side thigh area...It didn't go anywhere... 01/02/99 Sciatica
Santa Monica XXX (P. 1-3)
- Q. How long ago was that...The Sciatic Nerve? Complaining of pain in her left lower back radiating down to her thigh and leg for one week. Plenty of low back pain since thanksgiving. Fluctuating...Positive stiffness.
- Q. 90? 91? I'm not sure... Pain, left buttock radiates up and down to knee and anterior thigh. Left grown pain...decreased range of motion... assessment: Right Sciatica.
- Q. Any other pain that you can recall prior to this accident to your back?
- A. No. Tylenol with Codine #3 60 tablets. Flexeril (muscle relaxant) 60 tablets Naprosyn 60 tablets. Toradol Intramuscular injection.
